LABEL: CRITICAL RECORDINGS
CAT NO: CRIT005
SIDE A: SPARKS
SIDE AA: WISHING

Delta & Format follow on from releases on the Hospital, Phuturo, Penny Black and Fireclown imprints with a project for Critical Recordings which clearly demonstrates the sound of the Delta & Format unit in full effect.

Sparks is a sure fire stormer, utilizing old skool style dancefloor breaks and a booming bassline, complimented by stabs and effects to get any crowd moving.

Check the flip for **Wishing**. A smart fusion of breaks and sublime vocals, combine these two elements with pounding bass and lush strings sounds for a true example of dance floor rhythm and beauty.

Both tracks have been receiving praise and rotation from the likes of Fabio, Marky, Ray Kieth, Nicky Blackmarket and Lucy Ambache (Hospital Records/Choice FM).
