RELEASE: JANUARY 2003

Critical Recordings are proud to introduce **SYS X**, a side project of Brazilian producer extraordinaire, **XRS**. With the charts still reeling from his success alongside **Marky** and **Stamina** with summer smash **LK**, its time to show a different side to the man's talents . These tracks combine musicality, groove and dancefloor vibes with a deeper, more techno influenced edge.

These tracks have been attracting attention from some of the major players in the scene with **L Razor** becoming a firm favourite with the **Swerve** crowds as a result of serious dub plate rotation by **Bailey** and **DJ Flight**. Alongside dub plate support from : **Marky**, **Patife**, **Marcus Intalex**, **High Contrast** ,**Teebee**, **Friction** and **Cause 4 Concern**.
