LABEL: CRITICAL RECORDINGS
CAT NO: CRIT008
SIDE A: FORGIVE MYSELF [DKAY REMIX]
SIDE AA: FORGIVE MYSELF
RELEASE: MAY 2003

Next up from the Critical camp are two versions of one very special tune from Austria's favourite sons Dkay & Rawfull, other wise known as Illskillz .

The DKAY remix takes the vibes of the original and turns them inside out, utilising the vocal alongside thunderous drums, breakneck bass and driving techno lines. This tune is quite simply a killer.

The original mix has all the elements needed to move the floor but in a more sublime manner. The vocal hook is paired up with tight breaks and pulsing bass to create a classy roller.

Both these tunes have been supported by DJ's such as : Bad Company, Friction , Dylan , Cause 4 Concern, Trace, Marcus Intalex, High Contrast, Bailey and Flight.

Situation critical.....
