---

**TC1 and Stress Level make their debut for Critical after being signed to labels such as V, Bingo, Commercial Suicide and more.**

**With the remix of Satisfy they have taken the fresh tech funk sound of the original and laid out their own distinctive crisp dancefloor depth. Sonar Heat is a summer time roller, with sweet South American vocal lines.**

**DJ support from Fabio (BBC Radio 1), Grooverider (BBC Radio 1), Andy C, DJ Flight (BBC 1 Xtra), Cyantific, Nu Tone, Byran G, Marky, LTJ Bukem, DJ Lee, Commix, AI and more.**
