CAT NO: CRIT022
SIDE A: TOO LATE
SIDE AA: HUMAN POISON
SPECIAL EDITION WHITE VINYL

Ding ding, round 22 in the Critical vs the DNB Scene boxing match. Donning the gloves for Critical this time is Brazilian new boy Bungle.

Too Late is a dancefloor bassline roller of the highest order, so much so that the king of the jungle Andy C has included it on his brand new Nightlife 3 mix CD.

Human Poison harks back to the halcyon days of the tech funk made their own by the likes of Jonny L and Ed Rush & Optical..take that style add a pinch of 2006 and et voila.

Both tracks have had support from all the usual suspects, Andy C, Marky , L Double (BBC 1 Xtra) , Baiiley (BBC 1 Xtra), Logisitics, Cyantific, Friction, London Elektriccity, Total Science and more.
