

CAT NO: CRIT029
ARTIST: LOMAX
SIDE A : INNOCENT X
SIDE AA : TRAGO TRASH
RELEASE DATE: JULY 2007

We are are very excited to announce the debut single for Critical by Lomax.

Lomax has been kicking around the scene for a little while now, both alone and with long time production partner Kubiks picking up plaudits and releases on some of the scenes best labels. Now he has broken out on by himself with a style and deft touch all of his own.

Both sides combine dark yet uplifting textures, with sharp beats and room shaking basslines.

This is the first release of many for Lomax on Critical as we build up to an LP project in 2008.

Both sides have been supported by the great and the good; Fabio, Logistics, Cyantific, Flight, Bailey, Marcus Intalex, Commix, Randall and many more.

Don't miss out on the sound of the future funk...
